THANK YOU
LINCOLN SCHOOL
FOUNDATION
FOR
FUNDING THE
RECLAIMED ROPE
AND OTHER
SUPPLIES FOR
HPS AND LINCOLN
STUDENTS AND
FAMILIES.

Dear LSF,

I would like to thank you for funding our reclaimed rope from Laura Ludwig.

The rope enhanced student learning in the HPS Art room. The week before Family Day at the DeCordova, I shared some of the rope and its history with all of my students. To paraphrase one of the tour guides at the Sculpture Park, Judi, "You're students were so well prepared. They knew about where the rope came from and how the fence was built."

Student feedback for the activities and visit to the Sculpture Park included "Amazing" and "Awesome!"

"The DeCordova Family Day was a wonderful opportunity to experience the Sculpture Park. Our tour guide was very knowledgeable and kept the children engaged in each exhibit. Orly Genger's innovative Red, Yellow, and Blue exhibit was very captivating; the children loved following the blue along the stone path. As a whole, our entire group particularly loved the hands on rope activities that followed the Red, Yellow, and Blue tour." - Shay Osbourne, HPS Parent

I am planning to build a pvc "cube" at HPS to have out during our Field Day and Picnic on June 4th and recreate the rope activity we enjoyed on May 18th.

As you can see from these photos, a great experience was had by all. Here is link to many more photos. https://www.dropbox.com/sh/duq65kgsxavxbms/AABXIN1hPyEf_tYGOPHG3sXa
